FOR IMMEDIATE RELEASE

Montana Osteopathic Medical Association Partners with VOCCME to Offer Highly Flexible Virtual Continuing Medical Education

BILLINGS, MT — October 5, 2026 — Montana Osteopathic Medical Association (MOMA) is proud to announce its partnership with **VOCCME**, a virtual, on-demand continuing medical education (CME) event developed collaboratively by 8 state osteopathic associations. Launched in 2021, VOCCME has served over 3,000 physicians nationwide, with 98% of learners consistently recommending the program to colleagues.

“With such a strong history of satisfied learners, the Board of Trustees feels VOCCME is an excellent, high-value addition to our member service offerings,” said MOMA Secretary/Treasurer, Donald Grewell, DO.

The program offers unprecedented flexibility for practicing physicians, featuring:

- **Custom Packages:** Purchase between 8 to 48 credits in 8-credit increments.
- **Full Customization:** Choose from 48 one-credit programs covering diverse, practical medical topics led by national experts.
- **Self-Paced Learning:** Complete courses at your own pace from **February 12 through June 30**.
- **Affordable Pricing:** Reduced rates based on membership status and the number of credits purchased.

The 7th annual VOCCME launches **Friday, February 12, 2027**, and runs through **June 30, 2027**. Registration is currently open.

About Montana Osteopathic Medical Association MOMA)
The Montana Osteopathic Medical Association (MOMA) represents and advocates for osteopathic physicians throughout Montana. Dedicated to advancing the practice of osteopathic medicine, MOMA supports physician education, professional development, and legislative advocacy while promoting the distinctive principles of osteopathic medicine. Through collaboration and advocacy, MOMA works to strengthen the osteopathic profession and improve health care for Montanans.
