

2021 Primary Care Roundup - Virtual Conference

Sponsored by the
**Montana Osteopathic
Medical Association**
In partnership with
Billings Clinic

August 5 - 6, 2020
Thursday - Friday

Course Description:

The Montana Osteopathic Medical Association's Primary Care Roundup is designed to present the evaluation and management of a broad range of conditions commonly seen in medical practice. Primary care providers and specialists will benefit from the breadth, depth, and practicality of the subjects discussed in this virtual, didactic conference which will emphasize Osteopathic perspectives on common conditions and include a demonstration of Osteopathic Manipulative Therapy techniques.

Accreditation:

The Montana Osteopathic Medical Association is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Montana Osteopathic Medical Association designates this program for a maximum of 32 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Missouri Association of Osteopathic Physicians and Surgeons (MAOPS) and the Montana Osteopathic Medical Association. MAOPS is accredited by the ACCME to provide continuing medical education for physicians.

Missouri Association of Osteopathic Physicians and Surgeons (MAOPS) designates this live activity for a maximum of 32 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
